

Subject: Grant of Authority to publish my business online

Business name: TheSingaporeanRice

To whom it may concern,

The requested permission to engage our business in an online environment has been granted to the group students of Usman Institute of Technology as part of their project submission. They are also permitted to use all our logos / products / content to use in their project without worry of copyright issues.

They are also freely permitted to make future revisions or additions (if any) to the business structure if it is beneficial to the business in any manner. They are not restricted in the republication of our business in any way.

All the arrangements discussed above have been approved and they are granted to extend our business online by the help of a working website.
